My participation in Image-to-text competition developed my creative writing skill. As a part of the competition I wrote an essay on the image provided. I have gained good insights from the competition. I would like to participate in more such events.

I had a good experience in the literary competition "Image to Text", which is held on International Language Day. This helped me to develop skills, knowledge such as story telling, writing skills, and creative thinking.

It gave me more confidence to attend more such events.
