#### *About Me*

As a dedicated professional social worker, I view myself as a change agent committed to fostering positive transformation in individuals, families, and communities. My focus on problem-solving is complemented by a strong foundation in social work theories, which I apply through my values and interpersonal skills. I specialize in individual and community rehabilitation, psychosocial interventions, and psycho education, while also engaging in project coordination and advocacy. My experience in counseling, casework, and group work enhances my ability to mobilize communities and deliver impactful interventions. Ultimately, I strive to empower those I serve and contribute to meaningful social change.

#### 1. Online and Offline Therapy Sessions:

- Flexibility: Offer sessions in both formats to accommodate different client needs.
- Integration: Use online tools for homework assignments and follow-ups.

#### 2. Psychoeducation:

- Workshops: Conduct sessions for parents and patients on topics like coping strategies, mental health awareness, and communication skills.
- Resources: Provide handouts or online materials that reinforce key concepts.

#### 3. Confidence and Relationship Building:

- Skill Development: Use role-playing and real-life scenarios to help clients practice social interactions.
- Goal Setting: Encourage clients to set and achieve small, measurable goals to boost their confidence.

#### 4. Addressing Psychosocial Needs:

- Assessment: Regularly evaluate the psychosocial factors affecting clients' wellbeing.
- Support Networks: Help clients identify and engage with their support systems, including family and community resources.

By integrating these elements, I tend to create a supportive environment that promotes overall mental wellbeing.

Feedback Regarding CII.

A. Tanga

Id: U03CT23M0121

dt: 30<sup>th</sup> July 2025

The CII program which was conducted on 30<sup>th</sup> July, 2025 at S.D. Sagar auditorium gave us a exposure on how to attend group discussions in the Corporate. It gave us an experience of attending mock interview which was conducted by our trainee. The program was informative and helped in us in gaining knowledge about the Corporate world.

Thank You.

Subject : Feedback on CIL Programme

I Afnan Pasha attended the CIL programme which was really very useful.

It helped us to build our resume and made us learn who and how to address in the interview session. It was very useful session.

Thanking You,  
Afnan Pasha.

Name: Nandini Kamat  
5th sem BBA 'A'.

CIL trainings are really helpful ~~from~~ for students in building essential skills necessary for skill development. This helps in improvement in key areas like communication, decision-making and critical thinking. I had positive experience ~~in~~ participating in the CIL training sessions. I particularly appreciated the focus on the problem-solving, communication skills, and teamwork. The activities conducted in CIL training were really engaging and useful. We were encourage to think beyond traditional solutions and explore new approaches. Overall, the training was insightful and inspiring.

Thank You,
