The session conducted by EY was very insightful and well-structured, providing a clear understanding of the company's culture, employee benefits and growth opportunities. I particularly appreciated the detailed explanation of the recruitment process, which gave me a better idea of how to prepare and align my skills with the company's expectations.

Overall, it was a valuable learning experience that enhanced my interest in pursuing opportunities with EY. And also the presenters were very much experienced in engaging and approachable, making the session interactive and informative.

Thank You.
