STUDEN FEEDBACK

This educational visit to Veda Vijnana Gurukulam was a very wonderful experience and a exposure to a world which we never knew, The traditional way of learning, we got to learn alot of things about how gurukulam system works, their course duration, the way the students live in their everyday life. such a different experience from the education system we know, we even got to interact with the students of Gurukulam and know their personal experience as well. This was a very nice call taken by Dr. Madiraja Sir and I would like to thank You for giving me this wonderful opportunity.
