great enthusiasm. The first round was a Quiz Contest on HR and management concepts. Teams competed in multiple rounds such as general HR knowledge and rapid-fire questions. The quiz tested students' conceptual clarity, quick thinking, and communication skills. The second round was a scramble-unscramble HR word game. Students were given scrambled HR-related terms which they had to solve within the time limit. The final round, Fusion Walk, encouraged students to use creative materials to perform a short walk or presentation. Teams had to coordinate, plan, and showcase their innovative skills in front of the audience. This round emphasized team collaboration, creativity, confidence, and presentation skills.
