Feedback on Placement Cell Orientation.

The placement cell orientation session was very informative and helpful. It gave us a clear idea about the importance of campus placement and how they play a vital role in shaping our career. This session also highlighted the extra skills we need to develop, such as communication skills, aptitude and technical knowledge, to make ourselves industry-ready.

I found the session motivating as it guided us on how to prepare early and make the best use of placement opportunity.

Overall, the session was well organized and very beneficial.

Thank You.
