" Cybersecurity Mastery Summit: Phishing Protection, Privacy Strategies & Certification Pathways.

Date: 14/3/25
VI Sem 'A'

The session conducted was very insightful, fully and informative which was about types of browsers offering various data privacy features. He explained everything in detail. It was an amazing session.

- Anil KADASA

U03CJ2210003

The session was interactive where the speaker answered all our questions actively. We gained a lot of knowledge on types of browsers offering various data privacy features. It was a very insightful session where we got to know about your security.

- Aadnikh

U03CJ2250006

The session was very interactive & useful, we gained a lot of knowledge regarding phishing & showed us how phishing attack is done using a simulator & also created awareness to keep ourselves safe from all such attacks, also gave comprehensive insights on various privacy offering browsers.

Cyber Security Mastery Summit: Phishing protection, Privacy
Strategies & Certification Pathways

U.S. B.A.

The Cyber security session was very helpful for Date 19/3/25
the students to prevent hacks. The speaker
was very confident and clear on the topic
he presented

- Bhargavi.N
U03CJ2450057

The Cyber Security Seminar was informative and
engaging, providing valuable insights into the latest
threats and countermeasures. The Seminar was well-organised,
and the venue was convenient and easily accessible. The
Speaker demonstrated excellent expertise, and the presentation
was interactive.

- Monika.U
U03CJ2450092

The Seminar was a great success and well worth
attending. It provided valuable insights into the latest cyber
security trends. Attendees left with a better understanding of
cyber security threats and how to mitigate them.

Feedback Details

A very informative lecture. Told us about phishing, cyber attacks.

The session is all about cyber security. The presenter explains about phishing and gofishing using tools.

Hemanth.C
U03CT23S0020

A well prepared, systematically executed session. We were given much information on the domain. It was clear, well paced and interesting.
