24.	Summary of the Event	The Department of Computer Applications – BCA organized an industrial visit to the Environmental Management and Policy Research Institute (EMPRI) on 12 October 2026 for First Semester BCA students. The visit focused on "Conservation of Nature, Sustainable Development and Conservation of Wildlife." The session created awareness among students about environmental conservation, biodiversity protection, sustainable resource management, and the importance of adopting eco-friendly practices. It helped students understand the role of environmental research and management in addressing environmental challenges and promoting sustainable development for a greener future. The activity aligns with SDG 4 (Quality Education) by providing experiential learning opportunities that enhance students' environmental awareness, knowledge, and understanding of sustainable development
