23.	Summary of the Event (Around 100 words)	Department of BCA organized a seminar by Mr. Vijay M on Artificial Intelligence and its impact today in all the fields. Mr. Vijay explained the AI revolution over the past decade and how it has impacted the world. He gave examples of issues in every domain like health sector, agriculture, finance sector etc and asked the students solutions to the problems in these sectors. Students who proposed solutions got a reward. He explained the impact of AI in each of these domains and how the revenue, profit increased after using AI. He urged the students to take up courses in AI, to equip themselves with the skills for better career in the current world.

I attended the seminar on topic "Join the AI revolution" on 4-4-2025 conducted by Mr Vijay. We got an opportunity to get information and understand about the Artificial Intelligence is growing drastically. He explained my examples and my sector while the AI has impacted a lot. And asked several problem type questions.

This seminar has enlightened us about the current scenario of the world. Had a good experience of attending this seminar.

Thanking You
