Pledge for Every Drop - A promise to protect water

The water conservation pledge was really an eye opening activity. I will make sure to reduce my water usage, encouraging others to adopt these habits as well. It was both educational & fun, and it motivated many participants to take action like me. It was great to see the club members actively participating.

Kumar.S

The recent Eco-club activity on water conservation was both engaging and informative. This pledging session effectively raised awareness about the importance of water, water conservation. The session effectively educated the participants about the global crisis and the local impact of water wastage. I have taken pledge to conserve water in my daily life.
