CIL

Setting Bench Mark

We had a CIL Program:

Regarding Pre-placement cell activity that was held on Sep 4th 2025

The session on group discussion gave us a good understanding of how to share Ideas confidently and present our thoughts clearly. In this session they also thought about resume building. And the explanation about how interviews are conducted gave us a clear picture of process, common questions and right way to present ourselves.

Aaradhya NG
Vth SEM 'A'

The session was overwhelmingly positive, highlighting their value in bridging the gap between academic knowledge and Industry expectations. We gained career clarity, improve employability and boost confidence through these programs includes with Resume Building, Group Discussion (GD), Mock Interview. Overall, the Pre-placement cell activity ~~was~~ very effective.
