Student Feedback letter.

Course: BCA   Date: 18-3-2025

I really had a good experience in CIL. They guided us about the group discussions, interviews and boosted our confiedence. They taught the perfect method of building resumes and guided us on our communication skills while facing the interviewer.

I had a good experience in the CIL program. The mentor guided us or provided us with the Knowledge as method of building a proper, neat & valuable job oriented resume. They also helped us to get to Know about how things workout in a interview & what are all the common & most important questions asked in interview & also guided us how to answer those question.
