On And AS - 12 on 31/03/2026

DSCASC

The guest lecture conducted on 31/03/2026 at DSCASC on Indian Accounting Standards - 12 was a very useful and an engaging session. It helped me understand the concept of income taxes in a much clearer way than before. The speaker started with the basics and slowly moved to the complex topics like deferred tax assets and deferred tax liabilities, which made it easier for us to follow the session without confusion.

One of the best parts of the lecture was the way the speaker explained temporary differences with simple and practical examples. The session was also interactive, and the speaker encouraged us to ask questions whenever we had doubts.

Overall, this guest lecture was a great learning experience. It improved my understanding of And AS 12 and increased my interest in the subject. I would definitely like to attend more such lectures in the future.

Thank You
