The session conducted by Mr. Ranjith Kumar Sir, was very informative and knowledgeable. As a final year students who are next stepping into corporate world, the process of interviews and resume is a primary thing we have look up. So, through the session we got an valuable insights on how to prepare a resume and the interview process, how to attend the interview, the questions asked, the way of answering it professionally etc.

Overall, it was a well-communicated session.

But also could be more interactive and interesting with some activities or engaging students in this process in a fun way & knowledgeable way.
