STUDEN FEEDBACK

The educational visit to Veda Vijnana Gurukulam was extremely insightful. It was an entirely different experience for all of us. We got a glimpse of how the Gurukula education system works. The place was extremely scenic, peaceful and was culturally rich. We learnt about how students there have different lifestyles which are traditional and go back to the old-age systems. The staff, the students interacted with us very well and treated us with good hospitality. Overall, it was a unique good experience for all of us as we got to connect with the nature and age-old gurukula system. Our teacher Vadiraj sir ensured all of us were safe and were taking insights from the visit.
