Awards and Achievements

Awards

Dr. Balu L Honoured with 'Principal Par Excellence' Award by IIHM

We are delighted to share that **Dr. Balu L**, Principal of DSCASC, has been awarded the prestigious 'Principal Par Excellence' Award by the International Institute of Hotel Management (IIHM) as part of the Teacher's Day Awards 2025. This national recognition celebrates Dr. Balu's visionary leadership, dedication to academic excellence, and transformative contributions to institutional development. The award is a testament to his relentless commitment to nurturing a culture of innovation and excellence in higher education. Heartfelt congratulations to Dr. Balu on this remarkable achievement!

Dr. Suplab Podder Honoured as Emerging Teacher in Management

We are proud to share that **Dr. Suplab Podder** has been honoured with the Emerging Teacher in Management award by the International Institute of Hotel Management (IIHM) as part of the prestigious Teacher's Day Awards 2025. This recognition celebrates Dr. Podder's excellence in teaching, innovation in pedagogy, and dedication to student development in the field of management and commerce. The institution congratulates Dr. Podder on this well-deserved achievement and wishes him continued success in his academic and professional journey.

Excellence in Educational Standards Adaptability & Implementation

Dayananda Sagar College of Arts, Science and Commerce was honored with the Excellence in Educational Standards Adaptability & Implementation Award at the India Elite Education & Institutional Excellence Awards & Conference 2024, held on 25th October 2024 at the Taj West End, Bengaluru, Karnataka. This prestigious recognition highlights the institution's commitment to academic innovation, quality standards, and adaptive educational practices. The award reinforces the college's continued dedication to providing transformative learning experiences and upholding excellence in higher education. Receiving this honor at a national platform underscores the institution's leadership in higher education and its role in shaping future-ready graduates. We extend our gratitude to the organizers and reaffirm our commitment to excellence in education. We are proud of this achievement, which reflects the collective efforts of our faculty, staff, and students.

Research Award

Dr. Ameer Asra Ahmed Receives Best Researcher Award from IARA

We are proud to announce that **Dr. Ameer Asra Ahmed**, has been honoured with the Best Researcher Award by the Indian Academic Researchers Association (IARA) on 31st May 2025. The prestigious IARA Awards 2025 celebrated excellence across academia, research, and industry, recognizing individuals who have made significant contributions in their respective fields. Dr. Ameer Asra Ahmed's exceptional dedication to scholarly research, consistent academic achievements, and impactful publications earned her this well-deserved recognition. Her work continues to inspire peers and students alike, reflecting a deep commitment to advancing knowledge and fostering innovation in the academic community. We extend our warmest congratulations to Dr. Ameer on this remarkable achievement and wish her continued success in all future academic and research pursuits.

Best Research Paper Award

Prof. Lavanya C M

Congratulations to the esteemed faculty **Prof. Lavanya C M** for receiving the "Best Paper Award" at the International Conference "Vanijya Parivarthana" organized by Bangalore University. This achievement reflects her dedication, research excellence, and contribution to academia. The award highlights the innovative insights and commitment to advancing knowledge. Once again, heartfelt congratulations on this well-deserved honor.

Dr. Suplab Kanti Podder

Congratulations to **Dr. Suplab Kanti Podder** for receiving the "Best Paper Award" at the International Conference on "Applied Research in Engineering Sciences" organized by RAMAIAH Institute of Technology. This prestigious recognition reflects her unwavering dedication to research, academic excellence, and innovative contributions to the field. His achievement not only brings pride to our institution but also inspires fellow researchers to pursue impactful work. We extend our heartfelt congratulations to Dr. Suplab Podder on this well-deserved honor and wish her continued success in all future academic endeavors.

Dr. Ameer Asra Ahmed

Congratulations to **Dr. Ameer Asra Ahmed** for receiving the "Best Paper Award" at the National Conference on "Integrating Equity & Diversity in Business for a Sustainable Future", held on 18th & 19th June 2025, organized by Jain (Deemed-to-be University). Her award-winning research titled "Evaluating the Impact of Intersectional Discrimination and Marginalization on Life Satisfaction Among Female Students in Bengaluru's Higher Education Institutions" highlights critical social issues through an academic lens. This recognition reflects her dedication to impactful research and commitment to advancing inclusive education. We are proud of this achievement and extend our heartfelt congratulations.

Dr. Nithya B N

Congratulations to **Dr. Nithya B N** for receiving the prestigious "Best Paper Award" at the International Conference on "Science and Applications of Generative Research in Artificial Intelligence and Machine Learning," held on 6th and 7th March 2025, organized by SRM Institute of Science and Technology. This remarkable achievement highlights her excellence in research and contribution to the evolving field of AI and Machine Learning. The institution takes pride in her accomplishment and extends best wishes for continued success in her academic and research endeavors. Her work serves as an inspiration to the entire research community.

DSCASC- Design Patent

Dr. Kotresh Savanur

We are delighted to announce that the Patent Office, Government of India has issued the Certificate of Registration of Design for the innovative product titled “Solar Panel Energy Generation Monitoring Device”, registered in the name of **Dr. Kotresh Savanur** and Team. This prestigious recognition highlights their contribution to sustainable technology and design innovation. The institution congratulates Dr. Kotresh and his team on this remarkable achievement and applauds their continued efforts in research and development. This milestone reinforces our commitment to promoting innovation and academic excellence.

Dr. Suplab Kanti Podder

Congratulations to **Dr. Suplab Kanti Podder** on being granted a prestigious Design Patent by the Patent Office, Government of India, for his innovative design of a "TOY." This achievement highlights his commitment to creativity, research excellence, and advancement in the field of industrial design. The institution proudly commends Dr. Podder for this significant accomplishment, recognizing his dedication to fostering innovation and contributing to the growth of intellectual property. We extend our best wishes for his continued success in future research pursuits and academic contributions.

The institution proudly congratulates **Dr. Kumudavalli M** and Team on receiving the Certificate of Registration of Design from The Patent Office, Government of India, for their innovative creation titled “**A Voice Recognition Control Device for Recliner Seat.**” This remarkable achievement reflects their dedication to research and commitment to technological advancement. The institution commends their relentless efforts and innovative spirit, which continue to inspire the academic and research community. We wish Dr. Kumudavalli M and the entire team continued success in their future innovations and contributions to the field of intelligent design and technology.

The institution extends its heartfelt congratulations to **Prof. Ashwini Seshadri** and Team on being awarded the Certificate of Registration of Design by The Patent Office, Government of India, for their innovative creation titled “AI-Powered Workforce Optimization Device.” This prestigious recognition is a testament to their dedication, creativity, and commitment to advancing technological solutions for modern workforce management. Their achievement highlights the spirit of innovation and research excellence that drives our institution forward. We take immense pride in their accomplishment and look forward to witnessing more groundbreaking contributions from Prof. Ashwini Seshadri and her team in the future.

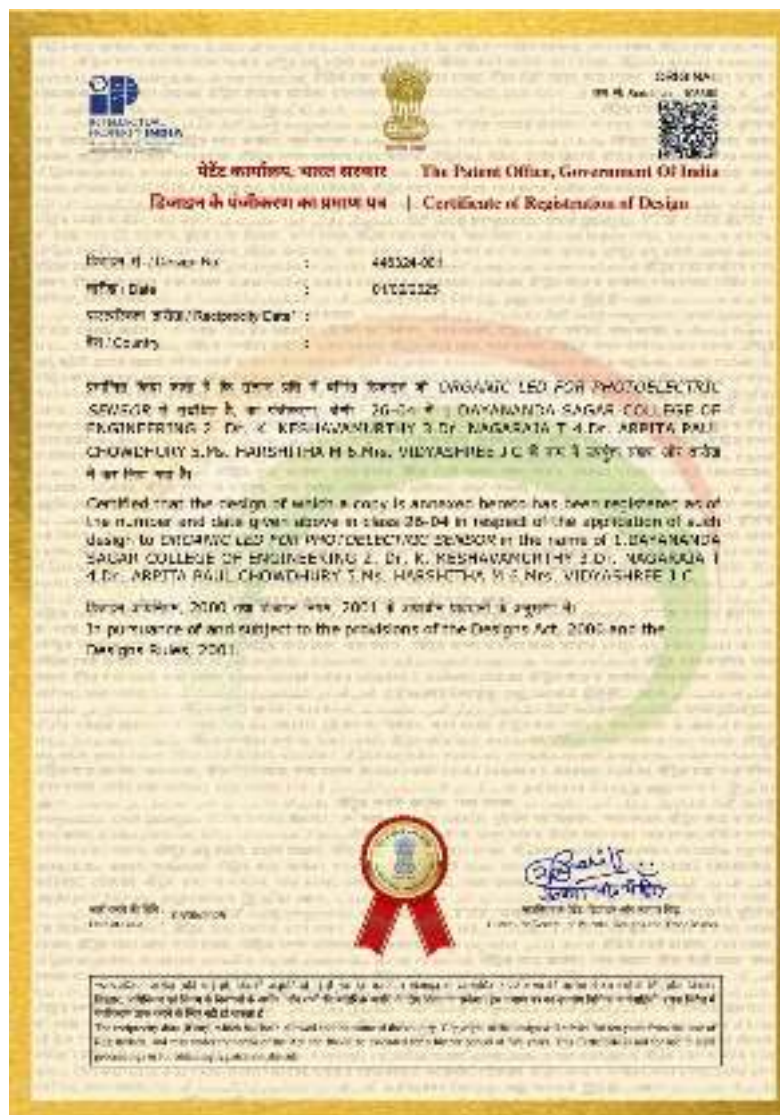

Dr. Monica Ranka

The institution proudly congratulates **Dr. Monica Ranka** and her Team on receiving the Certificate of Registration of Design from The Patent Office, Government of India, for their innovative creation titled “Personalized Digital Coupon Interface.” This achievement stands as a testament to their dedication, creativity, and commitment to driving digital innovation. The institution appreciates their remarkable contribution to advancing user-centric digital solutions and enhancing consumer engagement. We are confident that this success will inspire further innovations and research breakthroughs from Dr. Monica Ranka and her team.

Dr. NAGARAJA T

The institution congratulates **Dr. Nagaraja T** and Team on receiving the prestigious Certificate of Registration of Design from The Patent Office, Government of India, for their innovative design titled “Organic LED for Photoelectric Sensor.” This remarkable achievement reflects their dedication to research excellence and commitment to advancing sensor technology. The institution takes pride in their innovative contribution, which enhances the scope of optoelectronic applications and sustainable technologies. We extend our best wishes to Dr. Nagaraja T and his team for continued success in their future research initiatives and technological advancements.

Prof. Parimala R

The institution extends its sincere congratulations to **Prof. Parimala R** and Team on receiving the Certificate of Registration of Design from The Patent Office, Government of India, for their innovative creation titled “Device for Financial Forecasting and Budget Management in an E-Commerce Platform.” This significant achievement highlights their dedication to research and innovation in the field of digital financial technologies. The institution appreciates their efforts in developing solutions that enhance financial planning and efficiency in the e-commerce sector. We are proud of their accomplishment and wish Prof. Parimala R and her team continued success in their future research and innovation endeavors.
