Annual Report June 2024 to May 2025

Eco Unit – PRAKRUTHI

The ECO UNIT –PRAKRUTHI of Dayananda Sagar college of Arts, Science and commerce is an initiative aimed at promoting environmental awareness, conservation, and sustainability within the college community. Its primary objective is to foster a sense of responsibility among students, faculty, and staff towards protecting the environment.

Over the past year, the ECO Cell has actively engaged in environmental awareness and sustainability initiatives, successfully conducting events aimed at promoting eco-friendly practices within our student community. These events ranged from tree plantation drives and waste management workshops to awareness campaigns.

A significant highlight of the year was the collaboration with the Bird Watchers Club- ATAavi, marked by the signing of a Memorandum of Understanding (MOU). This partnership facilitated the organization of 2 joint events focused on bird conservation, habitat preservation, and educating students about local avian species. These collaborative efforts not only strengthened community involvement but also enhanced the ECO Cell's impact in fostering environmental stewardship.

Moving forward, the ECO Cell is committed to expanding its outreach and deepening its collaborations to create a greener and more sustainable environment.

Events during June 2024 – May 2025

Sl. No.	Event Name	Date	Web link	No. of Students benefited	Dept
1	Environment Day	05.06.2024	https://dscasc.edu.in/images/MBA/initiatives/Wend.pdf	50	MBA
