23.	Summary of the Event (Around 100 words)	The Workshop on 'Developing Smart Study Skills on Theoretical Aspects,' organized by the Department of Commerce and Management, on 24th October 2024, was a resounding success. The session was led by a distinguished resource person, Dr. Abhinandan N, who shared valuable in-depth knowledge on common challenges students face in mastering theory-based subjects, such as information overload, difficulty in understanding abstract concepts, and poor recall during exams. This intensive workshop was designed to highlight the difference between practical and theoretical learning, emphasizing the importance of developing specific strategies to approach theoretical material effectively. The program included hands-on sessions on the use of mind maps, flowcharts, and diagrams to visually organize complex information was demonstrated to help in understanding and retention. Over 33 BBA final year students from institutions participated, students were encouraged to practice theoretical concepts through self-quizzing, discussing with peers, and applying knowledge in different contexts to deepen their understanding. The event concluded with positive feedback from attendees, who appreciated the practical approach and in-depth coverage of the topic. The organizers expressed their gratitude to all participants and facilitators, and are enthusiastic about future opportunities to offer similar skill-building programs.

# Event: Smart Study Skills

Date: 2/10/2024

The Session on "Smart Learning and Study Skills" focuses on effective study techniques, emphasizing personalized note-making and efficient time management. Various study methods like mind mapping etc. were highlighted to enhance retention and understanding. Participants were encouraged to create their own notes, as it deepens comprehension and aid memory. The session also discussed organizing your study space, techniques such as balancing study time with breaks and prioritizing tasks.

Activities and interactive games were conducted to engage students and test their understanding, making session more dynamic. The importance of note keeping was also discussed.

In addition, the session covered effective time management (Valuing time). Tips on task prioritization and balancing study session.

The session ultimately equipped students with valuable tools to enhance their study habits and achieve academic success.

## Review

The session on smart study skills was incredibly beneficial. The session covered various techniques, such as time management, active reading strategies, effective note-taking and listening strategies.

Mr Abhinandan Sir provided practical examples that were easy to implement, including techniques for maintaining focus and mind mapping for organizing thoughts. Sir conducted interactive activities allowed us to participate these skills in real life.

Overall, the workshop was well-organised and informative, leaving us the best insights to improve our study habits. This approach helped us to identify which strategies would work the best for each one of us.
