24	Summary of the Event	The Capacity building program was organized for V BBA Students with objective to orient students about live industry projects and to build practical skills, improve industry readiness, and bridge the gap between classroom learning and real-world application. The orientation also highlighted overview of live projects and their relevance in the current industry. The orientation was successful in building capacity and preparing students to take up live projects with confidence. It provided them with the right direction, tools, and industry insights required to perform effectively. Overall, the program was informative and beneficial, helping students gain a clear understanding of specialization options and motivating them to prepare for their future academic and professional endeavours.
