23.	Summary of the Event (Minimum 100 words)	For BCA students in their first semester, the Department of Computer Application BCA and the Anti-Ragging Cell - PRABALA have planned a program to raise awareness about anti-ragging. The department head and the head of the anti-ragging cell started the anti-ragging awareness campaign. The focus of the discussion was taking a proactive approach to preventing and resolving the problem of ragging in institutions. Ragging is any type of intimidation, humiliation, or physical abuse that seniors in educational environments inflict on newcomers or juniors. The program strives to promote an inclusive, respectful, and compassionate culture among students. It motivates students to oppose ragging and to report any incidences they see. The students finally accepted a ragging-free vow.
