23.	Summary of the Event (Minimum 100 words)	The main vision of Coding Club is to empower students and future professionals to develop the art of competitive coding skills through mentorship and training. A Coding Club also has several activities that prepare students for the most intimidating interviews and campus placements. Active participation in coding clubs makes sure that individual and teamwork skills improve significantly. In view of this, "Coding club" of BCA department is conducting various activities for the students. An awareness programme is conducted for the first semester BCA students to explain and motivate them to participate all the activities of coding club.
