20.	Summary of the Event	Department of Computer Applications – BCA conducted induction Program & Bridge program for the I Semester BCA students. The induction program & bridge program was conducted for thirteen days. Prof. Hemanth Uppala, Vice Principal and HOD - BCA program, addressed the students. He greeted the students and gave an overview of the department in his speech. The faculty conducted the bridge course to build the gap between the curriculum through various seminars on current technologies, including academics, campus life and placements. **Day 1 (02/08/2023):** UG inauguration program was conducted for the BCA first Year students. The inauguration started with DSI Movie, Invocation Song, Welcome Speech, Lighting the Lamp, Address by Chief Guest, Presidential Remarks. The Chief Guest of the day was Dr. Sujith Paul – Group CEO, Zata Healthcare Ltd, the Guest of Honour Mr. Binoy K – Campus Engagement Manager, Wipro Ltd, presided by Secretary, Sri. Galiswamy and Join Secretary Mr. Nishanth H Sagar, DSI. Dr. Sujith Paul & Mr. Binoy K addressed the gathering about their present companies along with that the information about the recent technologies in the corporate industry. Then Prof. Hemanth Uppala addressed the students regarding the college and various activities conducted. A brief information about the academics and clubs like Coding, HR, marketing, financial club. And later he spoke about the statutory cells like anti ragging, students' grievance & mentoring cell. Followed by that he informed about non- academics like sports and extra circular activities and opportunities provided by our college. Finally concluded about the placements and Job offers. Then Day 1 induction program ended with Vote of Thanks by the Dignitaries. **Day 2 (03/08/2023):** On Day 2, Prof. Hemanth Uppala, HOD- BCA Dept, had given a brief introduction about the BCA Department. He explained the functioning of the department. Followed by the HOD session, students were informed to submit the documents for the admission process to the office staff. **Day 3 (04/08/2023):** On the 3rd day the first session was taken by Dr. Aruna Devi C, Coordinator BCA Course. She welcomed the gathering and addressed the student about the department overview. The various academic and non-academic activities conducted by the department was discussed. And later she informed about the internals, attendance. Followed by it, the next session was taken by Mrs. Sushma, Centre of Innovation & Learning took the topic on Life Skills, she later informed about Critical Thinking, Emotional Intelligence, Communication Skills, Decision-Making & Stress Management. Later to it the student had document submission at the office. **Day 4 (07/08/2023):** On the day 4 the session started with technical talk by Prof. Hemanth Uppala, in the session HOD spoke about the latest technologies in the current industry. Followed by

Sl. No.	Particulars	Event related Details
		that the session was taken by Dr. Salini Suresh, Associate Professor, DSCASC, session was on Introduction to Algorithms, She informed about the procedure of writing an algorithm, followed by that the session was taken by Prof. Ranjini, her session was on Shortcut to mathematics. She informed the students about the ways how to do complex problems in the smaller ways. Later to it Prof. Pandi Prabha's session on generic programming concepts was discussed. **Day 5 (08/08/2023):** The day 5 lecture was delivered by Prof. Hemanth Uppala, he discussed about the history of the computers to the students, later to it he added about the emerging computer evolutions. The next session was taken by Mr. Nagesh, Placement Cell, DSI. He informed the students about the career opportunities provided by the DSI. The next session was taken by prof. Yogeshwari on cyber security, she addressed on the career aspects in cyber security, phishing attacks happening and the cybercrime etc. **Day 6 (9-8-2023):** On day 6 the first session was handled by Prof. Hemanth Uppala on search techniques he informed about the types of searching required in a program later to it he explained working of linear search and binary search. The next session was taken by prof. Srivatsala on full stack web development, she explained the front end, back end and the database required for developing an application. Then she spoke about the career aspects on full stack development. The next session was taken by Dr. Aruna Devi C, on Cloud Computing, she explained the introduction to cloud, cloud services, types of cloud. The next session was taken by prof. Leo James on creative writing, he explained about the ways of writing, later to it he gave a task on a particular topic. **Day 7 (10-8-2023):** On day 7 the first was taken by prof Hemanth Uppala, he discussed about the technical talk on various aspects on ram and storage devices later to it he informed about the network technologies. The next session was taken prof. Kohila, on system programming, she explained about various types of system programs, embedded systems, distributed systems, compiler and interpreter etc. The next session was by Dr. Kumudavalli on data science, she addressed about the features of data science the programming language used in data science, how it is used in multi-disciplinary approach and informed about how analyses is done using large amount of data. The next session was taken by BCA second year students on the application which they had developed a platform where all the students can access coding on different languages. **Day 8 (11-8-2023)** On day 8 the first session was taken by prof Hemanth Uppala, on sorting he explained the working procedure on insertion sort and selection sort. The next session was taken by prof. Diwakara Vasuman.M. S, he explained about the software testing then to it he added the types of testing, ways of testing and he career aspects in software testing like automation and manual testing. **Day 9 (12-8-2023)** On day 9 the first session was taken by prof Hemanth Uppala, he spoke on prime numbers, Fibonacci and summation, he explained the working procedure of the above mentioned programs. The next session was taken by Ms. Sushma an alumnus of our college she informed how the department is supportive in all the ways. The next session was taken by Mrs Praveena on personal counselling and mentoring. Then the

Sl. No.	Particulars	Event related Details
		students were taken for a campus tour. **Day 10 (14-8-2023)** On day 10 the first session was taken by prof Hemanth Uppala, he informed about various certification provided by our department (Oracle Academy, NASSCOM, CompTia, etc.). The next session was taken by prof. Ranjini on short cuts in mathematics she explained how to solve various techniques in mathematics. The next session was taken by Dr. Aruna Devi C, she explained about software engineering, SDLC models and how the industry applies these concepts. **Day 11 (16/08/2023)** On day 11 the first session was taken by prof Hemanth Uppala, he had given a task to students regarding their role model and what qualities do them like in their role model. The students had given a different example of their role model. The next session was followed by Prof. Ranjini, the session was about aptitude questions, where she had given some aptitude questions where the students need to solve it, so that it improves their skill in mathematics. The next session was taken by Prof. Leo James, the session was all about the Language quiz so that they could improvise in their communication. The next session was about the CELL activities where student activity cell conducted the event on Speech, essay writing etc. **Day 12 (17/08/2023)** On day 12 the first session was taken by prof Hemanth Uppala, he informed about the online certification programs where the students would benefit during their placement and they could improvise their skills. The next session was taken by Prof. Ranjini, during the session, she had given a video to view on mathematics and had given some question to solve, so that they could have a good grip on aptitude questions. The next session was taken by Prof. Leo James in his session he gave a brief introduction to the syllabus of English curriculum. The next session was about the CELL activities where the students participated in various activities. **Day 13 (18/08/2023)** On day 13 the first session was taken by prof Hemanth Uppala, he informed about the online certification programs like NPTEL, SWAYAM etc, where the students would benefit during their placement and they could improvise their skills. The next session was taken by Prof. Ranjini where she had given an overview of the syllabus. The next session was taken by Prof. Leo James on Dialog writing. The next session was all about CELL Activities where the students participated in paper bag making conducted by ECO Club.
