24.	Summary of the Event	The Department of Computer Applications - BCA conducted Mehendi Competition to encourage creativity among students. The event witnessed enthusiastic participation from students who showcased their creativity and artistic talent through intricate Mehendi designs. Participants came up with innovative patterns, blending traditional and contemporary styles. Judges evaluated the designs based on neatness, theme, design detailing and Time management. The competition created a lively and festive atmosphere, encouraging cultural expression and peer interaction. The event concluded on a positive note, highlighting the students' artistic skills and fostering cultural engagement within the college community.

[Feedback]

1) participating in the mehndi competition was a wonderful experience. It helped me showcase my creativity and also taught me how important patience and neatness are while working on design. I enjoyed expressing my ideas through patterns.

IIIrd Sem 'A' section
Naseem Taj
(U03CJ2450139)

This competition boosted my confidence and gave me a chance to observe different styles of mehndi, which inspired me to try new technique. Overall, it was a fun and learning experience that motivated me to improve and be more innovative in my design.
