23.	Summary of the Event	<p>Centre for Innovation and Leadership – CIL conducted training for the students BCA VthSem 'A' and 'B' in "Pre placement Training ". There were 2trainers, Mr.Prem Raj and Mr.ChaitanyaS .Pre-placement training is actually act as booster as the graduating students are not very experienced in handling technical interviews and placement approaches which leads to loss of their self-esteem. In order to crack aptitude test, personal interview and become confident performer there is always a need of such pre-placement training.</p> <p>Starting from communication skill, soft skills,body language the pre-placement training gives lot of inputs in improving fundamental concepts of every student. Similarly, the students are made to realize their positives and focus domain areas in which they will become the best which eventually increases their self-esteem and they learn to represent their innovative ideas and solutions for any real-life problem.</p> <p>Overall, it was a great experience for them.</p>
