The main aim of the program was to make the grass root level of citizens aware of the traffic rules and the road safety measures. They also told the traffic rules are violated by the public and how as responsible citizens we must abide by the rules. The students were very enthusiastic and scripted a plot within a short span of time. Students benefited immensely from the session. Looking forward to hosting more such events. The Traffic Police thanked the Management for showing interest in spreading Social Awareness. They also gave us the opportunity to come up with such events in the near future as well, for the benefit of the general public.
