24.	Summary of the Event	The Department of Computer Applications - BCA conducted a Seminar on "Power of Data-Skills and Career in Analytics" for V Sem students on 22/09/2025. The Industry Specialist Mrs. Shyamala Bedur from the company Societe Generale working as a Senior lead Data Scientist showed the roadmap to our students to pursue the career as a Data Analyst. She highlighted the skills to be equipped to chase the dream of becoming a Data Analyst. She also mentioned the challenges of getting a job in an AI era and gave a solution to adopt the AI tools to explore their knowledge. The students actively participated in the seminar and understood the industry perspective of Data Analytics.

Feedback: Seminar on "Power of Data - Skills & Career in Analytics"

The session on Data Analytics was both informative and useful. A key strength was the explanation of different techniques and how they support decision-making in business and technology. The emphasis on tools like Excel, Python, SQL and visualization tools, which gave a clear picture of the skills needed in today's job market.

Keerthana.R
U03CJ23S0074

This seminar helped us a lot in getting information about how the industry in data analytics, science, engineer works.

It was a very useful information about data analytics tools and more about
