24.	Summary of the Event (Around 100 words)	On 18/09/2025, the 5th Semester B.Com 'B' Section students visited BAMUL (Bangalore Urban, Rural & Ramanagara District Co-Operative Milk Producers Societies Union Ltd.) as part of an industrial visit. Students gained valuable insights into milk processing, supply chain management, and cooperative business models. The visit enhanced their practical understanding of operations in the dairy industry.

Class: Y Sem 2 B Com
'B' Sec

Date - 18/09/2025

Our Industrial visit to BAMUL on 18/09/2025 was very useful and filled with practical learning experience. The visit gave us an in-depth understanding of how a large-scale dairy cooperative functions, from milk procurement to processing with quality control, packaging and distribution.

We appreciate the way the guides explained each stage of the process in detail which includes collection, testing, pasteurization and processing methods ensuring hygiene and safety using modern machinery and technology.

So, overall we got to know detailed information on supply chain management, material management and quality control maintained by Nandhini BAMUL management. It was a valuable experience.

I would like to thank the college and management for giving the opportunity to visit and have a great opportunity. I also want to thank the BAMUL Management for providing a great experience. I appreciate the efforts of the faculties for the arrangement especially Shruthi HS mam and Faveen Sir.

Thanking You

A. Thas
