24.	Summary of the Event (Around 100 words)	The industrial visit to KSDL was highly informative and insightful. It provided a valuable opportunity to understand the manufacturing processes of soaps and other personal care products, along with the company's commitment to quality and sustainability. The visit helped bridge the gap between theoretical knowledge and practical application, offering a clear view of production, packaging, and quality control procedures. Interactions with professionals enhanced our understanding of industry standards and operations. Overall, the experience was educational, well-organized, and enriched our learning about large-scale industrial functioning and brand heritage.

Our industrial visit to the Mysore Sandal Soap Factory on 27/10/2025 was a truly enriching and informative experience. It provided us with a practical understanding of the Soap manufacturing process - from the selection of raw materials to the final packaging. We gained valuable insights into the use of Nature Sandalwood oil, quality control measures, and the modern machinery involved in production.

The visit also helped us connect our classroom learning with real-world industrial practices. We are extremely thankful to the college and the management of Mysore Sandal Soap Factory for giving us this wonderful opportunity to learn, explore & observe one of India's most iconic Industries up close.

Thank you

FEEDBACK ON THE INDUSTRIAL VISIT TO MYSORE SANDALS SOAP INDUSTRY

The industrial visit was truly very insightful. We got to know the richness of our land and its importance in the soap, industry, cosmetic industry and detergent industry in India and world. Our land, Karnataka is the largest exporter of sandalwood in India and sandal is the pride of our land. The history of this industry was truly very mesmerising which brings proud to the people of Karnataka.

Thus, this industrial visit was truly awesome and thank you for the management of the college for taking us to this. Hope to go for more such industrial visits to enrich our knowledge.

Thank you.
