24.	Summary of the Event	On 14th July, 2025, This session focused on equipping students with key soft skills required to thrive in the corporate world, including communication, teamwork, time management, adaptability, and professional etiquette. Through interactive discussions and practical examples, students gained insights into workplace expectations and learned how to develop a growth mind set for long-term career success. This informative session introduced students to professional courses like Chartered Accountancy (CA), Company Secretary (CS), and US-Certified Management Accountant (US-CMA). It provided clarity on eligibility, exam structure, career prospects, and global recognition of each course. The orientation helped students understand how these qualifications can complement their B.Com studies and enhance their career opportunities in finance, accounting, and corporate governance.
