		<p>dehumanizing effect of ragging inherent in its perversity. Posters, notice boards and signboards wherever necessary, may be used for the purpose. That's the purpose for Anti-Ragging committees being set-up in educational institutions.</p> <p>When words fall short to express the language of the mind, soul and heart, Art helps translate. In continuum to the encouragement of expression, MBA BU department provides various platforms to the students to hone their skills, foster passion and confidence. The department focuses on the holistic development of the students and endeavours to involve students in different aspects of life outside the classroom so that they grow up as well-rounded personalities. Keeping up with this vision, MBA BU department of DSI, Bangalore, organized a Poster Making Competition for MBA students on 17th May 2023. Importance of Anti-Ragging, the theme for the competition was to sensitize students towards the social evils of ragging and also provide them the opportunity to portray their talent in creative arts and designing.</p>
