22.	Summary of the Event (Minimum 100 words)	Bhimrao R Ambedkar is a very well-known personality who worked all his life to bridge the gap prevailing between different classes in society. He is the pioneer architect of Indian Constitution. Ambedkarite Ideologies includes special focus on matters such as fraternity, democracy, equality and so on. This activity was conducted so as to create awareness and thinking within the minds of students about the discrimination happening in and around. Student Participants performed eight different skits on various popular ideologies propounded by Babasaheb. Dr. Amedkar's most pertinent beliefs were -"Life should rather be greater than long", "Cultivation of Mind Should Be the Ultimate Aim of Human Existence", "I Measure The Progress Of A Community By The Degree Of Progress Which Women Have Achieved", "Untouchability has ruined the Untouchables, the Hindus and ultimately nation as well", "Indifferentism is the worst kind of disease that can affect people", "Purpose of Education is to moralize and socialize the people", "Education is an instrument of social change. Be hungry when the time comes but educate your children", "Religion and slavery are incompatible", "and "You cannot build anything on the foundation of caste. You cannot build up a nation. You cannot build up a morality". Students performed skits on all the above ideologies of Dr.B.R.Ambedkar and shared enriching insights with each other. It was fun engulfed with learning.
