LEARNING EXPERIENCE FROM ISR ACTIVITY

Date: 22/01/2026

Name: Pallavi. M.N

As part of our ISR activity, we visited "SRI SHANTI NILAYA" Yeshwantpur. ~~The~~ We visited there and was a meaningful experience that helped us understand the importance of empathy and social responsibility.

We observed the living conditions of the residents and the dedicated efforts of the caretakers in providing care, support and dignity to individuals who faced challenges such as abandonment and poverty. The peaceful environment reflected how compassion and commitment can positively impact lives.

This visit helped us realize that social responsibility goes beyond donations and includes emotional support, respect, and human connection. As MBA students, the experience also highlighted the importance of ethics, leadership and social awareness in both personal and professional life.

Overall, the visit was enriching and inspiring, motivating us to contribute responsibly toward society in the future.

ISR Cell Report: Senior Home outreach.

DATE: 22/10/2026

NAME: Sourin Das G

The ISR Cell organized a successful donation drive to support the residents of [Shree Shanthi Nilaya Old Age Home]. Our team focused on converting student & faculty contribution into tangible relief for the elderly.

Key contributions:-

- 1) Fundraising:- we successfully collected funds through a campus-wide donation drive.
- 2) Essential Supplies:- These funds were used to purchase & distribute daily necessities, including toiletries, hygiene products, & nutritional supplements.
- 3) On-site Support:- Beyond the donations, volunteers spent the day assisting staff with chores & engaging in meaningful conversations.

By addressing both physical needs (daily essentials) & emotional needs (companionship), the ISR Cell provided a holistic support system. The smiles on the residents' faces served as a powerful reminder of the impact of collective action.
