Entrepreneurship Workshop on 31 May'23

Guest Speaker : Mr. Pankaj Ratan Lal

Mr. Pankaj Ratan Lal is Chief Technology Officer (CTO) at Mammoth Analytics and heads their India Office, that develops the Tech solutions for the company. He has been on a mission to make data accessible to everyone. Pankaj did his B. Tech from IIT Kanpur and holds a Master's degree in Computer Science from University of Illinois at Urbana Champaign, USA. He has a diversity of experience across Chemical plants, Semiconductor industry, retail operations, Non-profit Organizations, Web and the world of Data engineering.

He worked at and rose up the ranks of Texas Instruments, one of the leading semi-conductor companies in the world. Then he moved onto his first entrepreneurial journey as a co-founder of a retail chain. In his current role, he leads a young and talented team of engineers who are working on cutting-edge AI base analytics solutions for their clients.

Pankaj thinks of himself as a problem solver at heart and spends time experimenting with many new things that he comes across without any goals of perfecting it.

In parallel to his professional pursuits, he has been exploring Indian and World History for last few years. Before this he was seen in a woodworking workshop that he built along with his friends. He actively involves himself in society and community affairs as well as environmental issues at the local levels to make our world better, greener and cleaner.
