22.	Summary of the Event (Minimum 100 words)	Women safety is still a matter of concern. As a girl/woman enters into the public place she is considered as public property. Though things are changing, still there is no absolute safety for girls/woman. This activity was conducted to create dual thinking among students where one side we feel women are safe yet on the other side there are pretty vulnerable and unsafe.
23.	Photographs of the Event (At least 10 relevant, clear, and appropriate photos with title and explanation. The jpg files need to be attached)	Photographs attached
