Summary of the Event (Minimum 100 words)	<p>Ragging is a disturbing reality in the higher education system of our country.</p> <p>Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students. Other organisations/bodies working in this field have also attempted to define ragging, the</p>

		<p>variety of definitions being reflective of differences in perspective. Ragging is a criminal offence as per the Supreme Court verdict. Ragging in all its forms, within or outside the institution / campus, is totally banned. Ragging is an offence under penal code and Karnataka Education act 1983. Ragging is a form of bullying or hazing that takes place in educational institutions, particularly in colleges and universities. It involves acts of violence, physical or psychological abuse, or humiliation inflicted on new or junior students by senior students. Ragging is illegal and considered a criminal offense in many countries. It is condemned by educational institutions and student organizations, and is widely recognized as a serious problem that must be eradicated.</p> <p>Anti-Ragging cell of MBA BU department organized a Skit event by the students on the theme of "Curbing the Menace of Ragging". Four teams presented their idea about the problems involved and the ways to overcome ragging through their skit. The event was appreciated by the Director of MBA BU, Dr. BR Venkatesh. The Anti-ragging committee members along with the few other faculty members were present on the occasion.</p>
