| | 100 words) | collaborative learning. The session included a series of interactive tasks, problem-solving challenges, and group-based activities designed to engage students intellectually and build their confidence. Seniors guided the juniors throughout the process, offering support, encouragement, and real-time feedback. The activity not only strengthened peer bonding but also created a positive learning atmosphere where juniors felt motivated and inspired. Overall, "Mind Spark" proved to be a meaningful and enjoyable initiative that promoted teamwork, leadership, and active participation. The activity not only strengthened academic skills but also fostered teamwork, mentorship, and a positive learning environment within the college. |

14th November 2025

The activity which was conducted by the Senior Students was excellent and added very good value for us by teaching that co-operation between each other is important, made us learn to good should be our communication skills. Every one was very generous, cooperative and exciting. Also we really appreciate if they to conduct some more joyful and fulfilled activities like this in future. which might build some synergy between our seniors and juniors as well.

THANK YOU SENIORS
