24.	Summary of the Event (Minimum 100 words)	Eco club is a platform on which we got the knowledge about environment. The meaning of an eco club is a group who works to contribute to improving environmental conditions. They offer programs and activities to encourage others to reduce pollution, plant trees, and more. Eco club or green club is a voluntary group which promotes the participation of students in learning about, and improving their environment. A green club is a means by which students and youth can organize themselves to learn more and this issue, and also take action to improve their immediate environment. Collage is a creative work that resembles such a composition in incorporating various materials or elements, to expose the creative ideas & work of students collage on eco friendly topics is organized.
25.	Photographs of the Event	Yes.
