

## **Students Activity Cell - Activity**

**Title:** “Social Experiments”

**Date:** 5<sup>th</sup> & 6<sup>th</sup> September 2021

**Resource Person:** Prof. Ameer Asra Ahmed

### **Topics Covered:**

- To help the students understand the people’s behaviours in different situations.
- To enable the students to sensitize themselves towards the general perception, attitude and behaviours of people in the society.
- To instil confidence among the students.

### **Summary**

A Students’ workshop titled “Social Experiments” was conducted on 5<sup>th</sup> & 6<sup>th</sup> September 2021 for MBA 2<sup>nd</sup> Semester students. The students were briefed about the purpose and objectives of the social experiments. The students were divided into teams and each team was given a real life situation and asked to carry out the social experiment in different settings. The teams’ video recorded the public reactions during the social experiments and played the same in the class following which discussions were carried out pertaining to the attitude and behaviours displayed by the people in the society in the social experiments.

**Organized by:** Students Activity Cell

**Venue:** 5<sup>th</sup> Floor, Building number 13
