22.	Summary of the Event (Minimum 100 words)	Entrepreneurs are important for any economy as they drive the progress of any economy. Women entrepreneurs are a breed apart from others. There was a time where women were supposed to do only house chores. But now women are entering almost all the sectors. But this is not easy for women they struggled a lot to be in this position now. In this competition students gave presentations to successful women entrepreneurs, the hardships they faced and their struggles. It was thoroughly emphasized that every MBA graduate needs to aspire to become an entrepreneur one day or the other and women are no exception to this. This competition boosted the confidence among the audience and encouraged them to give a thought to becoming an entrepreneur.
