

Webinar on “Content Management Systems Using Drupal and WordPress” on 19.10.2020

The webinar was conducted under Centre of Excellence -Web Technologies. Prof Srivatsala and Dr.Salini Suresh have coordinated the event. The event was conducted on 19th October 2020 from 12.30 to 2,45. Prof Srivatsala welcomed the speakers and the gathering and introduced the speakers Dr.Chandrashekhar and Prof.Vishal from RV College and requested them to deliver the webinar on Drupal and WordPress respectively. The main agenda was to create awareness about the web site building technologies and tools like Drupal and WordPress. Dr.Chadrashekhar explained about Content Management Systems and their benefits in general. He explained about Drupal and gave a short demo of how one can create a website using Drupal. Prof Vishal took over and explained briefly about WordPress. He gave a short demo of how easy one can build a website using WordPress. He explained the difference between WordPress and Drupal. He listed many websites which were built using WordPress. He also promised to conduct workshop for students in WordPress and Drupal with the help of Dr.Chandrashekhar. Dr. Salini presented Vote of Thanks and thanked Head of Department Prof.Suneetha V for guiding and helping in organizing the webinar. She also thanked Tejas MG who designed the poster for the webinar.
