- First of all I thank MCA department for organizing fun week. It was very good time we had with friends and faculty members. We enjoyed a lot. I hope this will continue for upcoming MCA students.

Your sincerely

Abhin

- The fun week was quite good event but only the last day of the week every one followed the ethnic wear apart from that not even a single day all wore. How in ethnic day some small event they conducted like that every day of the week. <sup>in the</sup> last hour or after the classes they should do. But it was nice last day ~~we~~ had a fun. Thank you for organising the fun week.

Himanshu Raj

- It was a great day, we enjoyed a lot, interacting with classmates and our seniors, but apart from ethnic day other days were casual as normal. I wish each and every day of fun week should be followed the dress code. Thank you to MCA department for organising fun week.
