It served as a moment of reflection, appreciation, and celebration of the time spent together within the department. "Smriti", meaning "memory" or "remembrance," symbolized the cherished experiences, friendships, and accomplishments that shaped the students' academic journey. The event provided an opportunity for faculty and juniors to express their gratitude and admiration for the seniors, acknowledging their contributions, achievements, and positive influence on the department. It beautifully blended emotions of joy, nostalgia, and hope for the future, as the departing students looked forward to new beginnings while carrying forward the values and lessons learned at the institution.

our farewell was really amazing. our juniors did a wonderful job in organizing everything. The decorations, performances, and games made the day so special. I really loved how even my teachers took part and gave a performance for us. It felt so heartwarming. The games were super fun and also we received cute little gifts with wishes. It was a memorable and emotional day.
