24.	Summary of the Event	The Treasure Hunt competition for I MCA students was successfully organized and conducted by III MCA students as part of a student activity. The event aimed to promote teamwork, logical reasoning, and problem-solving skills among first-year students in an interactive manner. Carefully designed clues and tasks encouraged collaboration and active participation across teams. The senior students demonstrated effective planning, coordination, and leadership throughout the event. Overall, the competition created a lively learning environment, strengthened inter-year interaction, and contributed positively to the academic and co-curricular experience of MCA students.

Feedback:

Treasure Hunt Event:

The treasure hunt was very engaging and fun from start to finish, chasing (it across) our college building and learning more about our college infrastructure was nothing short of an experience. The whole thing had fun, cracking clue, laughing when we got it wrong & celebrating when we finally nailed it. Thank you for organized staff of our college for making it happen & the best part was the saddle.

The treasure hunt organized by our seniors was an absolute thrill. The clue was on point well written, and got us hyped to solve it. The most fun part was racing with my team, chasing clue and being so happy when we cracked it. Kudos to organizers and staff for making it so fun and engaging. I hope for there kind of events in future days.
