Drawing Competition- Environment Awareness Programme

Department: MCA

Date: 8th April 2022

Summary: Under the guidance of IQAC-DSCASC the department of Computer Applications-MCA conducted an Drawing Competition for the students of I MCA on 8th April 2022. The competition was held in order to provide the awareness of Environment. The theme of the event was given earlier to the students. It was great to see that students who took interest and participate in the event towards saving the earth. Their vision and thoughts are shown in the form of drawings. The competition sharpens the students drawing skills. The theme selected by the students was saving the natural Resources, and protecting the environment. The active participation of the students was highly appreciable.
