21.	Summary of the Event	The MCA Department conducted a Debate Competition on 09/11/24 on the topic "Data Privacy in the Era of Surveillance : Are We Sacrificing our Freedom". The debate competition was an engaging and intellectually stimulating event that brought together students to showcase their analytical skills, public speaking abilities, and critical thinking. Many participants expressed gratitude for the opportunity to engage in meaningful discussions and to learn from one another's perspectives. Debate competition was not only a test of intellectual prowess but also a celebration of diversity in thought and dialogue, equipping students with essential skills for their future endeavours.

Feedback.

The topic of data privacy and surveillance was very well-chosen and timely, touching on crucial issues of Privacy, Security and Individual freedom. The participants demonstrated a good grasp of this complex topic. It was evident that the debaters were well-prepared and backed up their arguments with relevant data and real-life examples. Each speaker presented their points in a logical order making it easy for the audience to follow. Overall the debate was well-argued, engaging and informative. Both teams showed excellent preparation and insight into the topic.

Bengaluru T. U

## Feedback on Debate Competition

Topic given for the debate is 'Data Privacy in the era of Surveillance: Are we sacrificing our freedom'. Both the sides presented strong arguments, demonstrating deep understanding of how data privacy impacts personal freedom and security. I found this event on data privacy very engaging, this event helped me appreciate how important it is for us to stay informed about data privacy. I hope we can have more debates on similar thought provoking topics in the future.
