24.	Summary of the Event	The Department of Computer Applications - MCA, DSCASC organized a workshop titled “Git & GitHub” on 16 th July for 2 nd MCA ‘A’ and ‘B’ students in two sessions, provided practical insights into version control using Git. Students learnt essential commands for initializing repositories, staging files, committing changes, and managing branches. The session emphasized collaboration through GitHub, showcasing how teams can synchronize projects using push and pull operations. Real-world examples highlighted best practices for clear commit messages and conflict resolution. The workshop effectively enhanced participants’ confidence in handling code with Git.
