24.	Summary of the Event	The Department of Computer Applications, Dayananda Sagar College of Arts, Science and Commerce, in association with IQAC, organized a technical talk as part of the Journal Club titled "WriteRight: LaTeX for Research Papers". The session was conducted on 6 August 2026 from 2:30 PM to 4:00 PM at the Seminar Hall, Building No. 17, DSCASC. The resource person for the session was Dr. V. Balaji, School of Computer Science and Engineering, RV University. The session focused on introducing participants to LaTeX as an effective tool for preparing and formatting research papers. The technical talk provided an overview of the importance of structured document preparation and demonstrated how LaTeX can be used to create professionally formatted academic documents. The session also highlighted the usefulness of LaTeX for organizing research papers, formatting mathematical expressions, managing tables and figures, and preparing references and citations. The event was designed to provide practical exposure to faculty members interested in improving their research writing and documentation skills. A total of 15 faculty members actively participated in the session. The interactive nature of the technical talk enabled participants to gain useful insights into LaTeX-based research paper preparation and its application in academic writing. The session concluded successfully, providing faculty members with valuable knowledge and practical understanding of LaTeX for research-oriented documentation.
