24.	Summary of the Event	A guest lecture on "Fundamental and Technical Analysis of Stocks" was organised to M.Com students at Dayananda Sagar College of Arts, Science and Commerce by Dr. Chetan Shetty. The session focused on practical approaches to stock market analysis and investment decisions. He explained fundamental analysis by covering financial statements, ratios, earnings, and market position. He also introduced technical analysis, discussing price charts, trends, and key indicators like moving averages and support/resistance levels. Through real-life examples and discussions, the interactive session helped students connect theory with practical application.
