

## Question Paper Setting and Valuation Policy

**Question paper setting and evaluation** is an integral part of our examination system for continuous evaluation. Bangalore University prescribes conducting the **Internal Assessment Test** for every semester end, for 40 marks, and after valuation it is reduced to 20 marks.

### 1. Question Paper Setting

1. Each subject faculty receives the prescribed question-paper pattern for 40 marks (Sec A – 10 Marks, Sec B -10 Marks, Sec C – 20 Marks).
2. Faculty must cover all topics completed in class.
3. Questions should reflect:
  - o Main objectives of the subject
  - o Subject-specific learning outcomes
4. After preparing the paper, faculty submit a soft or hard copy confidentially to the HOD.
5. The HOD, along with a senior professor, scrutinizes the paper for:
  - o Pattern correctness
  - o Feasibility of questions
  - o Errors or unclear questions
6. Corrections suggested by the HOD must be incorporated by the faculty.
7. Finalized question papers are printed and sealed under the HOD's custody.
8. On the day of the test, the HOD provides:
  - o Printed question papers
  - o Blue books to the invigilator for conducting the examination.

### 2. Valuation Process

1. After the test, answer books are handed over to the respective subject faculty.
2. Faculty evaluate the test books based on:
  - o Neatness
  - o Language clarity
  - o Correctness and relevance of answers
3. Marks are awarded even when:
  - o The meaning conveyed is correct
  - o The student's answer is close to the correct concept
  - o The faculty is convinced that the student has understood the topic
4. Awarded marks are recorded in the department registers.
5. The entire process is implemented in adherence to University guidelines.
