## FEEDBACK.

The Kannada Rajyotsava celebration in our college [Dayanad Sagar College of Arts Science and Commerce] was a memorable and enriching experience.

The event showcased the rich cultural heritage of Karnataka, and it was wonderful to see students and faculty come together to celebrate the occasion.

The event was well-organised, more involvement from students in the planning and execution of the event have made it more successful.

The cultural programs, including traditional dances, music and drama were excellent and

showcased the talents of the various students.

The traditional dress code added to the festive atmosphere and it was great to see students and faculty dressed in traditional attire.

Overall the Kannada Rajyotsava celebration in our college was a huge success and everyone had a wonderful time, truly a splendid one.
